

Lowland Leader Assessment

Assessment Report

(Completed By Course Director)

Candidate Name	Delphine GIMAT		
Candidate Registration No	1607676		
Course Provider	Reach That Peak	Code	94796
Completion Date	31/05/2024		
Result	Pass		

Candidates Performance

The candidate named above has successfully completed an assessment course over the specified dates and demonstrated the required levels of competence to: • Plan, manage and lead walking activities in rural and forested countryside areas of the UK and Ireland • Recognise and manage hazards and risks in the countryside environment • Manage activities in such a way as to minimise impact on the environment • Undertake the above in 'summer' conditions*; which may be found in the UK at all times of the year(N.B. The Lowland Leader does not include assessment of the skills required to lead others in open and untracked moorland or hill area) This Pass page records demonstration of competence at a specific time and should be used in conjunction with logged personal experience and details of any further training undertaken after the date of assessment.*For a full definition of the scope of the Lowland Leader qualification please refer to the scheme handbook or contact www.mountain-training.org
